I'm at the laundromat and have two driers on their second go round. I may be a dirty old queer but I'm not going to stink or wear dirty clothes, It is a fabulously blue sky day. Rained over night so everything will grow and inch today except for the weeds which will grow 6". My guests are due in a couple hours and I must run home as soon as these clothes are done and make beds and do the final clean up and fix a bit of lunch maybe. I've kept the 10 lbs off all vacation and even now too! Now for the hard part of the second 10 and the sit up to pull the stomach back into a gravity defying smooth shape.

Thanks for spending so much of your time with me while I was there visiting. You made my time there seem so warm and real and not cold vacationing. And it was great to see you again after too long. Love as always in liberation
