On Saturday, January 13, 1990 Boulton & Park will move to town. Our January meeting will be held at the Seven Oaks Hotel, 1400 Austin Highway. The La Vista Room will be open at 5 PM. Those of you wishing to arrive early and change into ever more desirable form, are welcome to do so.

At or about sixish, those that wish, may join others for dinner in the hotel dining room. The entree range is \$5 to \$10. From there we will gather back to the La Vista Room for the 7:30 meeting.

In another departure from tradition, we will have a speaker. Carmen, from the Aloha Beauty Shop, will make a presentation to us on the care of wigs. Carmen requested the opportunity to tell us about cleaning our wigs, BEFORE the Texas "T" Party.

## Notes en passing

We have received several comments about publishing the obituary of Linda Blayney-Lozano. It was published without comment because we thought no comment was necessary. During last year's Texas "T" Party Linda conducted our workshops on Makeup and Feminine Department.

During the planning process for the 1989 Texas "T" Party we were anxious to locate a competent presenter for these workshops. To say the least we were not overwhelmed with confidence as we began our search. After a few encounters with "barely tolerant" individuals we found Linda. Not only did she accept the position, she accepted us.

Since that time we have found numerous business people that are willing to work with us. Our progress in this area is firmly rooted in the acceptance that we received from Linda.

Another item was "Who is Holly Cross?" The answer is quite simple. Holly is one of us. She happens to live in the Northeast, is an active worker at I.F.G.E., and attends most major gatherings. She is one of our subscribing members, attended the 1989 Texas "T" Party, and is registered for the 1990 function. Her picture appears in the membership section of *Tapestry*.

These questions reveal two facts. One - many of our readers were simply not around during last year's "T" Party. Two - many of our members are seemingly not aware that a national scene exists.

The first situation is encouraging. New people means additional energy, exciting new ideas, and the assurance that we will continue to function as an active organization.

The second one is not encouraging. Obviously we fail to acquaint new members with the existense of a national scene. A Texas Cross Dresser could attend several meetings a month. Within

the San Antonio - Austin "Corridor" there were four organized weekend events during the month of December.

The success of local groups in providing physical activities on a consistent basis creates the impression that national organizations are not necessary.

Of course, we know, we are positive, that all of the Cross Dressed persons in the Texas area, are aware of Boulton & Park, and everyone in the nation is aware of the Texas "T" Party. Balderdash. N. S. Products included our brochure on their mailing list to the Southwest. As this mailing arrived, our hotline lit up with folks right here in Texas that had never heard of us, or our 'T' Party.

We as an organization do participate in the national scene. We list some events in the newsletter. Now and then we include a brochure in our mailings. We "allow" Jan to travel to the I.F.G.E. convention and contribute her effort and labor. This gives everyone a nice impression of how active the rest of us are.

The first meeting of Boulton & Park would have never happened without the networking provided by national organizations, and especially the effort of individuals who worked towards establishing those organizations.

Now with Boulton and Park, you have found a pleasant, low key group, that provides a place for you to dress and be your other self. It is time for you and your feminine self to contribute to the long term growth of our community. Your participation, support, and interest is just as important to the national organizations as it is to Boulton & Park. ☐

## Meet Jim Bridges

In preparation for the workshops to be held in conjunction with the Texas "T" part, Jim Bridges has scheduled a visit to San Antonio that includes the weekend of January 27th. We have arranged a "Meet Jim Bridges Party" at the Phillip's home. The party will begin at 7 P. M. on Saturday January 27, 1990.

Jim would like to meet the ladies in this area and also have the opportunity to discuss his methods and demonstrate his techniques and cosmetics. In other words, he is probably going to ask someone to be the model for a demonstration.

There is no "Door Charge" for this party. However, we ask, beg, plead, request, that you are considerate enough to call Cindy and Linda (438-7604) and let them know that you will be there. PLEASE.☐

## Real Girl Talk

Hello ladies, hope your Holidays were as wonderful as mine. I have much to be thankful for, and 1989 brought Linda and I so many new friends through Boulton & Park.

Thanks to Stephanie, I now use a wonderful cleansing lotion for my face. It's water-soluble, and is used in place of a bar soap. It removes even heavy makeup. You gently massage it on your face, and then rinse it off with warm water. A wash cloth is not necessary. This marvelous lotion is called CETAPHIL, and can be purchased at most drug stores.

Stephanie also loaned me a book, which after reading, I highly recommend. It's called "Blue Eye Shadow Should Still Be Illegal" (catchy name), by Paula Begone. The publisher is Beginning Press, and most large book stores handle it. There is a personality and image profile quiz, to help discover what makeup style might suit you best, gentle cleansing routines, a simple makeup routine, and all the facts on the miracle wrinkle remover, Retin A, and more.

Speaking of Retin A - a tube here in the USA runs around \$25 to \$30. You can get it across the border in Mexico for under \$7.

Hope to see each and every one of you at the "T" party in February.

Cynthia Phillips

## Christmas Party

The Phillips hosted another happy throng. Over thirty (30) of you showed up and your outfits were stunning. Next year we'll have to have a portrait photographer available.

In addition to the fashions, we were entertained with magic tricks, videos and a gift exchange. Scarves were some of the biggest hits under the tree.☐

## Boulton & Park sends Spy to Delta Omega

December 9th Elaine and I (Muffy) travelled to Dallas to attend the Delta Omega Meeting and Christmas party. Bette Lee called and invited us to join them in the hotel bar for a pre-meeting. The one pair of shoes I took had been borrowed by number one daughter and were stretched a bit and went clunk clunk. As I clunked over to our group, the Bartender arrived, took the order, hinted something about ladies not tipping, and returned quickly with drinks.

From there we clunked to the Dinning Room. After dinner I clunked on into the ladies room. Later I found out that another one is labeled "Delta Ladies Only". There was someone there besides Elaine and me. Either she didn't care or I passed. As we left she was standing in the lobby with her friend "Bubba". No comments were made.

Unaccustomed as I am to speaking, it was a definite task when Bette Lee asked me to address the group. Of course the Texas "T" Party was the subject I chose. Later there was a Christmas gift exchange and thanks to Elaine we had remembered to bring gifts.

Returning to the bar, we held court. Two gentlemen entered the bar about midnight. Being in the majority certainly makes one more comfortable. However, when Elaine and I retired, we wound up on the elevator with them, going to, of course, the same floor. Well I said gentlemen. No comments were made and they politely waited for us to exit the elevator first.☐

### **"T" Party Video**

We have available a promotional video (VHS) tape for the 1990 Texas "T" Party. In addition to scenes from last year's events it also contains some of the sights and sounds of the San Antonio Area. Any group interested in receiving a copy of this tape should contact us by mail, or leave a message on the Hotline recorder. Please provide a specific mailing address for delivery. The tape is promotional in nature and we do not consider it as video record of last year's event.☐

### **Thursday Dinner Registration**

Our registration form is causing confusion about the Thursday night (February 22) dinner. The cost of the dinner is \$10 per person. Some of you are either confused by the form or not intending to bring your registered partner with you. We apologize for the confusion and remind you to let us know on the Participation Survey form.☐

### **Looking For Your Survey In All the Wrong Places**

Are you a participant of the 1990 Texas "T" Party? Are you searching for the participation form for the weekend? Are you searching for the registration form for the Jim Bridges Cosmetic Workshop? No need to search, they are not included. They will be mailed on January 15, 1990.☐

### **Discounts..**

Our end of year financial review indicates that we have missed several of you in providing refunds. Just to refresh your memory, if you attended the 1989 Texas "T" Party it is our intention to provide you with a five dollar discount on this year's registration. We should have issued a check to those who forgot to take it, or worse, forgot to take it for their spouse. At this time it seems more efficient to hold on to your money and refund it to you upon arrival.☐

### **Attendance Limit Placed on Partners Gathering**

The continued influx of wives, significant others, and partners has caused us to move the Saturday morning session for partners. This is the second move to larger quarters.

The new site is the ballroom on the second floor. There is an absolute limit of four hundred (400) persons. Now listen WATS group, four hundred is the limit. Next available site is the golf course.

The "Technical Support Team" for the Partners gathering will include Dr. Richard Docter, Dr. Peggy Rudd, and Dr. George Brown. Other professionals have been invited and there is room for more (see above paragraph.) If you know of someone we should invite please let us know.

Dr. Rudd is heading the Saturday afternoon panel. Those of you on her list volunteers will receive your notice of having volunteered very soon. Others are invited to actually volunteer. If you are a Partner (wife, significant other, etc), a family member, or a professional interested in participating in the panel please let us know. We will forward your name along to Dr. Rudd.☐

### **Statement of Policy**

There is a need to state our policy concerning the participation of minors in the Texas "T" Party. We will not accept the registration of a person under the age of eighteen for participation in our event. However, minors may attend with the permission and participation of their parents or legal guardians. In the cases where both parents are not attending we would ask that documentation be provided as to the knowledge of attendance, and the granting of permission by the other parent. Minors must be under the supervision of the responsible adult while on the premises.

Notify us in advance of planned attendance. We will attempt to provide assistance in childcare for parents wishing to participate in late night activities. If additional clarification of this policy is needed, let us know.☐
