All FTMs and their partners are invited to our next get-together:

A Workshop on Female-to-Male "Packing"

Sunday, October 20, 1996, 5:00-7:00 p.m.

at

**Bet Power's house:
146 Riverbank Road
Northampton, Massachusetts**

Join us for an important discussion and workshop on the best, most realistic, most comfortable ways to "pack." You'll learn how to make a realistic-feeling penis prosthetic for 24-hour wear. Led by a genetic female who is a partner of an FTM, this hands-on session will give you a personal prosthetic to wear that is inexpensive and a joy to behold and feel. Bring \$3.00 for the materials involved: condoms, hair gel, nylon stocking, and elastic waistband. If you can sew a button on your shirt, you can learn to make this simple prosthetic with minimal hand-stitching required. For everyday wear and more effective passing, you may have tried the rest — now experience the best!

After the workshop, those interested may go out to dinner at a local restaurant.

For directions to ECFTMG's October meeting or for more information, call Bet at (413) 584-7616.

ECFTMG is a peer support group for all female-to-male transgendered, crossdressers, transsexuals, and their partners.
