Panel Discussion on "Positive Action"

10:00 AM - 12:00 Noon Saturday

This program will be conducted in two parts;

Part I will include brief statements (8-10 minutes) by four or five panelist on what can, should be or has been done to improve the image, status, reputation and/or acceptance of our unique community.

Part II will involve an open discussion among the panelist with questions and comments from the audience. In addition the panelist and audience will be challenged to suggest activities for individuals, groups and the I.F.G.E. in this regard.

The panelist will be selected on the basis of their experience in taking positive action, their ability to articulate and express themselves and to provide a crosssection of different personalities from different locals.
