Dear Ariadne Kane;

It was so nice to talk with you again, it has been a long time. This letter will confirm your appearance on People Are Talking on June 23rd 11:30-1:00.

We will be happy to pay for your taxi to and from the station, \$10 for your hair and either \$79.95 as an honorarium or a dub of the show.

When we spoke on the phone last Friday I mentioned that we would like to do something new and different with you. When my producer, Lorie George, found out that you could come the 23rd she said that it would be great to meet and talk with your wife on the show. Would she consider a TV appearance?

We will give you a call in the next two weeks and can talk about it then. See you on the 23rd!

Sincerely,

A handwritten signature in cursive script that reads "Deborah Lathrop".
