

November 30, 1987

Dear Rupert,

It was really wonderful speaking with you on the phone the 8th, and thank you for calling.

Enclosed goodies for you:

- 1) Per your request, The Advocate article of 10/6/76 re: TSs
- 2) "True Story of Deborah Sampson," an article I wrote in 1975 (under my birth name!) - permission given for you to reprint (but please use Lou)
- 3) Red paper: flier announcing our next FTM Get-Together
- 4) "A Genitoplasty Diary" - feel free to edit, as I realize it's way too long, but I'm too close to the subject (pun intended) to cut it myself
- 5) Two photos, with permission to print

Also, someone told me yesterday that they saw a movie advertised in a November Village Voice called Vera about a F-M. I've never heard of it and plan to go to the library to check through the old V. Voices, but thought you'd like the scoop.

Later,
