Dear New Member: MS. Ariadne Kane

Welcome to the membership of the International Platform Association. You will find your membership card enclosed. The numbered square on the back of your membership card entitles you to a discount on Avis rental cars as described in our Discount List.

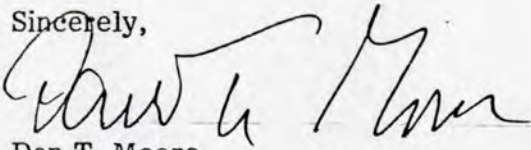

Our spectacular annual Convention held July 31-Aug. 4, 1978 at Washington, D.C.'s beautiful Hyatt Regency Hotel featured such personalities on the program as Lowell Thomas, Jack Anderson, William Safire, James Kilpatrick, William E. Simon, Harry Reasoner, Leon Jaworski, Howard Jarvis of California's Proposition 13, Chaplain of the U.S. Senate Edward Elson, Jeane Dixon, Charles Jarvis, Ralph Nader, Rod McKuen, Senator Henry Jackson and many others.

Few organizations have the standing to get even one such person as a speaker but in a unique and unprecedented tribute to the IPA they all came. No other organization has gotten such recognition in this decade.

We are interested in knowing which of our members are either program chairmen of organizations that present paid talent to their members or have some other position in an organization which gives them influence in choosing those who appear on its programs. If you are in this category, please advise us and we will note it on your card.

Our next convention will be July 30-Aug. 3, 1979. There will be news about it in future issues of "Talent" magazine.

Sincerely,

Dan T. Moore
Director General
