This brochure was developed by the  
**MSM/WSW/MST of Color Outreach Working Group-**  
a New York City-wide network of HIV programs and  
organizations that came together in December of 1996 to  
discuss and develop culturally-specific outreach strategies  
and other programming targeting Men of Color who have Sex  
with Men, Women of Color who have Sex with Women, and  
Men and Women of Color of Transgender Experience,  
(including self-identified Lesbian, Gay, Bisexual,  
Two Spirit and Transgender People of Color communities).  
The Working Group seeks to build coalition amongst  
providers working with diverse communities of color-  
and avoid duplication of services-by fostering collaborative  
and effective outreach work among the various providers  
within New York City targeting these communities.  
This brochure and list of resources is a product of  
the Working Group's spirit of collaboration.

The Audre Lorde Project (ALP) is a recently-created  
Center for Lesbian, Gay, Bisexual, Two-Spirit and Transgender  
(LGBTST) People of Color Communities. Initiated as an organizing  
effort by a coalition of LGBTST People of Color, The Audre Lorde  
Project was first brought together by Advocates for Gay Men of  
Color (a multi-racial network of gay men of color HIV policy  
advocates) in 1994.

The vision of ALP grew out of the expressed need for innovative  
and unified community strategies to address the multiple issues  
impacting LGBTST People of Color Communities. ALP secured  
and moved into its Fort Greene home, in the parish house of the  
Lafayette Avenue Presbyterian Church, during the summer of  
1996.

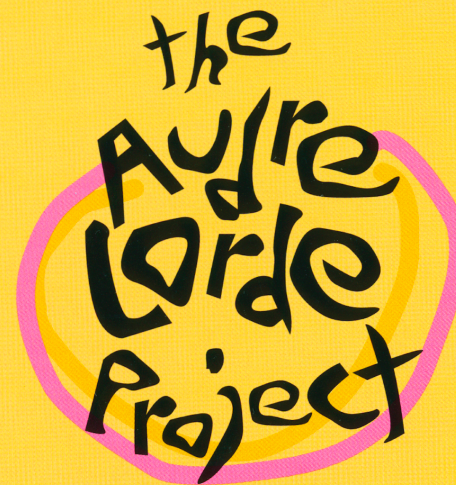

ALP coordinates and is a founding member of the MSM/ WSW/  
MST of Color Outreach Working Group.
