MOONLIGHT IN MANHATTAN, the premiers social event of the gender community will be in New York City, NY on April 21 to April 25, 1994. We expect over 250 people from all over the world to participate in this exciting event featuring vendors, restaurant tours, bar tours, city events and the Moonlight dinner dance. Our initial event in April, 1993 drew people from California, Germany and many local communities.

Here are two ways that you can participate in this event:
