CHI'S MARCH MEETING

We were pleased to be able to again meet "in the home," through the courtesy of Kay. The following were able to attend the meeting: Mitzi IL-8-C, Betty Ann IL-17-A, Deanna IL-35-G, Cheryl IL-40-K, Kay IL-44-N, Kathy IL-47-R, and Lois WI-13-V. Due to an annual duty of opening our mobile home in Wisconsin for the summer, your Editor was not able to attend that meeting. Thanks to Deanna for keeping the minutes of the meeting and collecting the meeting fees in my absence.

Cheryl made a suggestion that we begin taking color slides of our meetings, to form a basis for a future slide/tape show which would serve to introduce our Chapter to others. Almost everyone has a camera, so how about regularly shooting a roll of slide film? We could then select representative shots, reproduce them, and return the originals to the owner. If everyone cooperates, this project would not take long and we would have a permanent record of Chapter activities.

NEW CHAPTERS

Tri-Sigma has two new Chapters "in the works" in the Great Lakes Region. We sent letters to our members in eastern Ohio and western Pennsylvania, to determine if there was sufficient interest in forming a Chapter, and had a good response. Christiana OH-24-P, Andrea PA-17-J, and Donna PA-21-N volunteered to be a coordinating committee to organize the group, and should be ready to call the first meeting in the near future. All of our Sisters in that area will receive invitations to that meeting, and I hope that they will take advantage of the opportunity to join.

We also recently sent letters to our members in southeastern Indiana, southwestern Ohio, and northern Kentucky to determine their interest, but it is too early to have received any response from them. As soon as we do, along with the necessary volunteers for a coordinating committee, we'll begin the groundwork for Chapter organization.

Our newest "official" Chapter, in Michigan, was to have held their second meeting on March 18th. We hope that they will send in a report of their meeting, so it can be shared with all of you.

CHI'S APRIL MEETING

The next meeting of CHI Chapter will be held on the third Saturday of the month, April 15th. Deanna and GG Marilyn have graciously volunteered to be our Hostesses this month, so we will again be able to have our meeting "in the home." Details on the meeting place will be found elsewhere in this newsletter. To assist Deanna and Marilyn in planning the refreshments, please return your postcard to them as soon as possible so they will know how many to expect.

FUTURE GUEST

Vikki IL-48-M and GG LaVonne had planned to be with us at our April meeting, bringing with them Brenda, a GG friend, who is a beautician and cosmetician. Brenda has her own shop, and expressed an interest in attending our meeting and demonstrating make-up techniques and wig styling. However, a change in plans will not allow them to be with us this month, but they do plan to be with us in May. Mark your calendar now for the May meeting. Additional details on our special guest in the next newsletter.

Well, that's about it for this time; sure was a slow month for news. Hope to see all of CHI members at the meeting this month.

Donna
