Singer's Second

Coccinelle, French cabaret singer who became a woman after surgery five years ago, has married for the second time. She is seen here with her new husband, Mario Hayns, 32, son of a Paraguayan diplomat, at their wedding in

Haute Pissote, near Paris. The 29-year-old Coccinelle, whose real name is Jacqueline Dufreaney, married her manager, Francis Bonnett, in 1962, but they separated and were divorced after only eight months.
