

Dear Ginny -

12-1-86

How ~~funny~~^{funny} it was that we saw each other at your new apt! Maybe I should be mailing this here, but I trust you'll still receive this at your old address.

You two must have shined good fortune on my friend & me, because the next place we looked at was perfect & we rented it on the spot! Only a few blocks from your new place.

I hope I wasn't "out of line" by buying a ticket from you right in front of your new landlord. My, but we San Franciscans are brash!

Thank you so much for the compliments on my book & I'm enclosing an ad flier w/ ordering info.

Especially now, with having to move & all, I doubt if I'll see you before the Cotillion. (I'm lookin' to do some flirting & see if I can't find myself a cutey!)

See you then,

L S
