

ETVC

A California Non-Profit Corporation

April 22, 1996

Dear Friend,

As I write this letter, we are getting ready for the first-ever California Dreamin' convention to be held right here in San Francisco (jointly presented by us with its originators, PPOC of Southern California, along with DVG and RGA). Hope to see you there!

It's also close to the beginning of a new membership year, which means it's time to renew your membership with ETVC. For the first time since 1989, we are raising our dues. Basic membership is now \$25.00. Family memberships are \$35.00. For the past several years, as we have expanded services, your Executive Committee has managed to find money from a number of successful fund-raising efforts. Unfortunately, inflation at last caught up with us, and as we drew up this year's budget we realized that a hike was unavoidable. Even with this modest increase, ETVC membership is a great bargain. Look at what you get:

- A free subscription to The Channel, our bi-monthly newsletter.
- The ETVC Cotillion--THE dress-up affair of the year.
- End-of-month socials at our new venue, Jelly's (EXCLUSIVELY ours for that evening).
- Mid-month socials at the Galleon...where you can Sing Along With Mitch.
- Poker socials: A chance to get out en femme in the warm setting of a private home.
- Annual Gender Faire: Get to meet vendors of wigs, corsets, lingerie; specialty clothing; health care and therapy providers...and much more--ALL under one roof.
- Education and TS Seminars.
- An extensive book, audio and video library, with 100's of titles.
- Freedom Day Parade participation, the AIDS Walk.

All of these marvelous activities--and more--are what you make possible as a member of ETVC. It's only \$25.00...and TAX DEDUCTIBLE!

Renew today. Support the club that supports you!

Sincerely,

Jamie Faye Fenton

A Call for Help from the North West Gender Alliance

Portland, OR, the City of Roses, has been a special place of peaceful tolerance for alternative lifestyles. This fun, safe place to crossdress and be yourself may be wiped away at the drop of a ballot if you don't help the NWGA defeat the infamous Measure 9 which was proposed by the Oregon Citizens' Alliance (OCA).

Ballot Measure 9 would amend the Oregon Constitution to declare that homosexuality is "abnormal, wrong, unnatural and perverse" and would, among other things, require that the public schools teach such antiquated, wrongheaded bigotry as fact. In requiring that the state and local government do nothing "to promote, encourage or facilitate homosexuality," there is no end to the mischief these hatemongers can commit. For instance, many expect that the Oregon Liquor Control Commission would be prohibited from issuing a license to a gay bar by this amendment. The list of legalized abuses would go on almost endlessly.

While this measure does not specifically mention crossdressing, the OCA's publications make it clear they do not make the distinction between heterosexual crossdressers and homosexuals. If Measure 9 passes, it would be difficult, if not impossible, to hold the 1994 IFGE Convention in Portland because no business would want to risk losing their business licensing for having served us. Even if the courts ultimately do make the distinction between crossdressing and homosexuality, there seems little question that crossdressers are next on the OCA's hit list. Whether or not legal sanctions are imposed against our hobby, Measure 9 can only feed the fires of intolerance that are burning in this nation and threaten the safety and dignity of all of us.

The North West Gender Alliance is treating this threat as an opportunity. An opportunity to strike a blow against ignorance, bigotry and intolerance. They have donated \$225 to the No on 9 Campaign. They also endorsed the campaign so NWGA's name will be listed in the State of Oregon Voter's Pamphlet as opposing Measure 9. In addition the members are volunteering their time to the campaign and donating their money.

The OCA is not just a lunatic fringe that will dry up and blow away. Already the OCA has met with national political leaders, including US Senator Phil Gramm, in Washington, DC. They have been steadily growing in numbers and power, but now is your chance to knock them back into the sewer they crawled out of. Now is your chance to keep them from moving into your state as well.

Recently, a number of prominent stars and directors from Hollywood, California sponsored a benefit to raise money and awareness against Measure 9. The NWGA is requesting you do likewise with a cash donation to the No on 9 Campaign. Your check should be sent to: No on 9 Campaign, c/o NWGA, PO Box 4928,

Portland, OR 97208 so NWGA can make the No on 9 Campaign aware of the aid they are receiving from the crossdressing community.
