**This brochure was developed by the MSM/WSW/T of Color Outreach Working Group and The Audre Lorde Project.**

The MSM/WSW/T of Color Outreach Working Group is a New York City-wide network of HIV programs and organizations committed to providing culturally-specific and effective outreach to Men of Color who have Sex with Men, Women of Color who have Sex with Women, and Men and Women of Color of Transgender Experience, (including self-identified Lesbian, Gay, Bisexual, Two Spirit and Transgender People of Color communities).

The Audre Lorde Project is a Lesbian, Gay, Bisexual, Two Spirit & Transgender People of Color center for community organizing, focusing on the NYC area. Through mobilization, education and capacity-building, we work for community wellness and progressive social and economic justice. Committed to struggling across differences, we seek to responsibly reflect, represent and serve our various communities.
