

Lambda Legal Defense Fund to: Transexuals, Transgender People, Drag Queens, and Butch Lesbians: GET LOST!

Did you know...

Lambda Legal Defense & Education Fund, the country's largest gay and lesbian law practice, **still refuses to take on transgender and transexual cases?**

Did you know...

LLDEF **still refuses to take on cases of gender non-conforming gays, lesbians, and bisexuals?** Yet a recent survey shows that 38% of G/L/B people are discriminated against in their jobs at least *partly* due to gender expression.

Did you know...

LLDEF says that "**gender is NOT A GAY ISSUE**" ??? Didn't they ever hear of drag queens, stone butches, fairies, diesel dykes, transgender people, and transexuals? The people who bash and hate us certainly have!

Hey Lambda:
While You're Taking Our Money,
How About Taking Our Cases, Too!!!

We're not quiet. We're not well-behaved.
And we're not going away.

A public service announcement from your
local chapter of The Transexual Menace.
We're here, we're genderqueer, get used to it.
