## The Time is Now

Have you been harassed or attacked because of assumptions about your

sexual orientation,

gender identity,

or gender expression

?

We are Lesbian, Gay, Bisexual, Trans, Two-Spirit, Gender Non-Conforming (LGBTSTGNC) people of color.

Everyday we experience violence at the hand of the police, the government, and sometimes our own communities.

Are you interested in stopping the violence against our community?

Do you want to use strategies that do not involve the NYPD, who already brutalizes our communities?

# Join Us!!!
