Dear Lou:

I have heard about you twice in the last two weeks so it must be time to communicate with you again. First, I heard from Drew Clark that he got a lot of very useful information from you. I would like a list of the information you offer so that I may refer people to your service. I know about the book, but Drew seems to have much more from you. Please send me a list with prices. Second, I am glad to hear that you are still healthy enough to help others and how are you anyway? Third, I would very much like some information on how your surgery (genital) turned out before I send anyone to Dr. Brownstein. Perhaps you could send me a telephone number so we could chat about it. I will see Brownstein in a couple of weeks at the Harry Benjamin Meeting (I guess he'll be there), but I want to hear about how you feel re the function.

I know you talk to Paul, probably more than I do, and I am so happy that he is doing so well on the AZT. Are you on AZT also? I'm glad I moved away from San Francisco when I did as I don't believe I could live with the heartbreak you all do.

Contact me when you have the time.

Best wishes,

*Alice*
