## Abstract

This growing collection contains papers, flyers, records, photographs, promotional items, and ephemera from the gay bar/club scene in Bryan-College Station in the 1990s. The Club, owned and run by Michael Jackson and his partner Tom Spellman, was the only place for LGBTQ individuals to publicly socialize in the Brazos Valley area from 1994 to 1999. It hosted the Miss Gay Brazos Valley Pageant several years running and had a newsletter called *Out on the Town*.

## Scope and Contents of the Materials

This collection covers the period in Bryan-College Station when the gay community was increasingly out and vocal, but still faced significant hostility on the Texas A&M University campus and in the local community. Aggie Allies was a very young organization at this time.
