## SUMMER IS FINALLY OVER! . . . . .

This may seem a strange thing to say, but for the Chapter the end of summer signals the beginning of a new "year." Vacations are completed and everyone is back at home, the children are in school, thoughts are turning to putting up the storm windows, and we are all settling-in for another long, cold, winter. For many, this would mean many boring nights playing Monopoly or Scrabble, or even doing the unthinkable: watching TV. But as a Chapter member you are not limited to being a "watcher," you can be a "doer." At least once each month you can get dressed up and there is someplace to go. At last month's meeting, our attendance started its annual increase from the summer slump, and we look for continued improvement as we enter the fall and winter season. We were very happy to have the following at our September meeting: Mitzi IL-8-C, Donna IL-11-S, Betty Ann IL-17-A, Elaine IL-22-A, Jeri IL-28-P, Deanna IL-35-G, Cheryl IL-40-K, Dolores IL-43-M, Kay IL-44-N, Pamela WI-6-G, Ruthann WI-14-L, and Susan IO-1-I.

We would like to extend a special word of welcome to Pamela, a new member of Tri-Sigma who attended her first Chapter meeting with us, and to Susan, an associate member from Iowa. We hope to see Pamela on a regular basis, and Susan whenever she might be in our area. Although there were no GG's in attendance last month, they are always welcome and we hope to see them in the future.

## DREAM '78 . . . . .

Five representatives of CHI Chapter attended DREAM on the Oregon coast, September 9-16: Joan and GG Pat, Lois, and Donna and GG Dee. Also representing the Area was Elaine from Michigan and Patricia Louise from Pennsylvania. Donna gave a brief description of the highlights of the week, and hopes to have her photographs available for viewing at our next meeting. We also hope that Joan and Lois will bring their photos, and especially that Lois brings the movies she took both at DREAM and during her extended trip out west.

The days we spent at DREAM were unbelievable. Our mornings were spent being tutored by the staff of the Glorea LaVonne Finishing and Modeling School in the basics of Compartment (posture, walking, sitting, etc.), Hairstyling, Makeup, Wardrobe, and general Social Graces. Our afternoons were spent in discussion groups, visiting the fashion boutiques, appointments at the beauty shop (or for those of us who are not so fortunate, the Wig Shop), or private appointments for special makeup applications or analysis. Something was happening every evening - either an informal or semi-formal dinner and activities at Cavalier, or a banquet at the Surf Tides, a restaurant about 12 miles away. But, beyond all the scheduled events, one of the best parts was meeting new friends, literally from all over the world, and re-seeing old acquaintances. The United States was, of course, the best represented among the people who attended. Additionally, there was representation from Canada, three from Australia, and one from Switzerland. It was such a wonderful week that none of us wanted to leave, and hoped that it would never end! But, all good things do come to an end, and all we can do now is look forward to "next year."

WHAT TO DO . . . . .

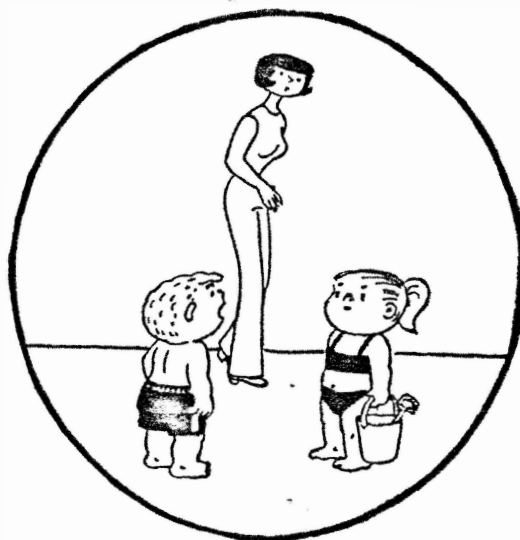

I'm sure you have all wondered what you would do if you were stopped by a Police Officer while dressed. While none of us really expects this to happen, it is well to be prepared:

- DO admit your male status if you are questioned in a public place by an officer of the law.
- DO check the identification of the officer, especially if he is a plainclothesman.
- DO offer your male name and address ONLY if you are asked to do so by a bona fide officer.
- DO show the officer your legal identification when it is requested.
- DON'T attempt to flee, or evade arrest, if a police officer challenges you.
- DON'T attempt to bargain with the arresting officer, or with any other officer.
- DON'T give any statement whatever, whether written or oral.
- DON'T give any information as to your job, or the identity of your employer.
- DON'T admit or deny the charge which the arresting officer places against you.
- DO follow the officer peacefully to the police station if he decides to take you there.
- DO insist upon contacting an attorney or public defender as soon as you arrive at the police station.
- DO request postponement of your court appearance if your attorney is not in the courtroom.
- DON'T discuss your case with another prisoner, or anyone other than your attorney, before trial.

"I don't care whether or not you're 'dressed.' It's your turn to do the dishes!"

"Why does Dolly have a top to her bathing suit and I don't?"

JOINT MEETING (FINAL NOTICE) . . . . .

Delta and CHI Chapters are planning a joint November meeting, to be held in the vicinity of Holland, Michigan, on Saturday, November 4th. We have confirmed reservations from a resort motel for a completely separate three-story apartment complex, which will insure our privacy. Check-in time will be 2:00 P.M. on the 4th, with check-out time at 12:00 noon on the 5th. The cost will be \$25.00 for TV's (room and refreshments), and \$30.00 for TV/GG couples. All members of the Great Lakes Area, whether or not members of Delta or CHI Chapters, are both welcome and encouraged to attend. This is a great opportunity to meet your Sorority sisters from our Area. Complete and return the form below without delay, along with the appropriate fee, to reserve your accommodations. Don't wait another day; reserve now!

ADVANCE NOTICE . . . . .

So you can arrange your schedule, we're giving you advance notice of the December meeting. It will be held early in the month, on December 9th, to try and avoid some of the many conflicts which always occur the closer you get to Christmas. Due to the November joint meeting, there will not be a regular CHI Chapter meeting that month. The next issue of the newsletter will be published about the middle of November, with all the details on the Christmas meeting.

I hope to see all of the CHI members on October 21st, and as many as possible of the Area members on November 4th.
