October 16-25, 1992

Cape Cod, Massachusetts

ABOUT THE FAIR

The Human Outreach & Achievement Institute founded Fantasia Fair in 1975 and has sponsored it for the past 17 consecutive years. As a non-profit educational organization, we foster and provide new and innovative programs for helping professionals and the diverse segments of the CD/CG Community. A portion of the Part A fees seed the development and implementation of some of these programs, i.e., New Visions of Gender (a workshop), Project Hopeful (a couples program), and *The Journal of Gender Studies*.

The Fair is held in Provincetown, Mass., at the tip of Cape Cod, noted for its tolerance of alternative lifestyles.

The Fair is held October 16 to 25, 1992. Registrations must be received no later than August 31, 1992 to avoid any surcharges.

Fantasia Fair is ...

- Personal Growth
- Major Social Events
- Workshops
- Seminars

But, most importantly, Fantasia Fair is a...

- Fun Holiday!!

Fantasia Fair is for...

- Crossdressers emerging from closets who want to improve their femme image.
- Crossgenderists who want to explore some unresolved gender concerns.
- Transsexuals (pre & post) who want to incorporate various facets of gender perception, social development and partner preference.
- Partners, Spouses, Significant Others who want to learn more about gender issues as they relate to a committed relationship.
