Dear Rupert,

Enclosed is the film review I promised.

I am also enclosing \$25 for another six month run of my ad,
per your letter.

██████████ visited me a few weeks ago and I was able to make a
copy of his video cassette of Redgrave in Second Serve. It was
great to see him again. I also met with another F-M gay man who
just came "out of the closet" two months ago.

Hope all is well with you,
