Dear Fellow Member:

Well you certainly missed a good part on the 8th. Jean really lived up to her past performance level, in fact she was even better with us than she has been on occasion with some women's groups! She had enough samples that it took John and I to help her carry them in. And the video tapes that Mary Kay supplied her with were fantastic. They really stressed the use of the minimum amount of makeup. What a contrast to Michael Maron's Makeover Magic by Suntree Video Associates, Inc! I was sorry for Jean that the turnout was so low but hopefully her presentation was good enough that we can schedule it again in the near future with a better turnout. The cohort accompaniment we had was in complete concurrence with Jean.

Unfortunately none of the really older members showed up. We all hoped Madam Sapphire, Alice Baker, Winnie or some of the other attendees from the old TVIC days would show, but they didn't. However, everyone there had a good time.

Another thing Jean has offered to help with is the way we dress, and wear our cloths. We all want to look like a perfect lady. But we have problems with cloth selection, how the tailoring is done etc.. Yes, our cohorts are a big help. But sometimes we need that extra help because most tailors are not ready to work with us. In fact I haven't found one that will go through all the steps yet, he will sell me left-overs at very good prices, he will refit them if someone else marks them, but he isn't available for the critical spot. That is where Jean comes in. She also will help you find that which you want, but can't find. I hope we can continue with her. And our cohorts must agree with her also.

Also included in this letter is a submission from I.F.G.E. which came in the mail a couple of weeks ago. I apologize for the delay. Next time I will get it out faster. In fact I apologize for taking so long to get the newsletter out. However, I have been so involved with helping the patients at one of our mental help units I inadvertently got behind. Also I am in hot water with the male half because I am behind on his typing also. It seems like we girls are always wrong.

Oh yes, I have had many requests for information on our old leader and her cohort. I was given an address for her and will drop her a copy of this newsletter and ask her if she would like to continue getting it. We all miss Wilma and Helen a great deal. They were always wonderful to us and our cohorts. We all wish them well in retirement.

I look forward to seeing you all on December 13, 1990 at our next meeting. Remember, if you have anything you wish brought up please feel free to let me know at the above address. Just be sure and use the club name.

Very Truly Yours,

  
Joan , President
